THE SECOND ANNUAL CREEKLAND FARMS POLLED SHORTHORN SALE

at the farm near

CLINTON, SOUTH CAROLINA

WEDNESDAY, APRIL 11, 1956

15 BULLS

42 FEMALES

**Including a guest consignment of seven head from Lewis W. Thieman & Sons,
Concordia, Missouri.**

General Sale Information

TIME AND PLACE — **Wednesday, April 11, 1956.** The sale of breeding cattle will start at 12:30 p.m. Club calves will be sold at 11:00 a.m. Lunch will be served on the grounds. The sale will be held at Creekland Farms. The farm is located 6 miles northeast of Clinton on S. C. 56, then 1½ miles east.

SALE HEADQUARTERS — Mary Musgrove Hotel, Clinton. This is an excellent modern hotel but it does not have a large number of rooms. On a Tuesday night they will be crowded. So, write them or us well in advance. Two good motels are also available.

TRANSPORTATION — Clinton is located on U. S. 76, S. C. 56 and 72. It is also on the main line of the Seaboard Air Line Railway. There is excellent plane service to nearby Spartanburg (Delta and Eastern). Also, service to Greenville and Columbia, slightly farther away. We will be glad to meet your plane and take you back to any of these points. Please notify us well in advance.

HEALTH — The Creekland Herd is federally accredited for Bangs, Certificate 904. Health certificates will be provided with each lot sold. All cattle will have been tested for Bangs and TB within 30 days of the sale, except officially vaccinated calves still under age in which case a vaccination certificate will be attached. Calfhood vaccination is practiced in both the Creekland and Thieman herds.

FARM PHONE — Clinton, 1061-W-1.

GUARANTEE — All cattle will be sold under the standard guarantee.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the owner or written from information supplied by the consignors.

The owners shall not be responsible or liable for any accidents that may occur but will make every effort to provide for the safety and comfort of their guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained for the specific tasks of handling the publicity and preparing the catalog. Neither the sale manager nor the clerk assumes any liability.

AUCTIONEER — C. D. Swaffar, Tulsa, Oklahoma.

SALE MANAGER — Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

MAIL BIDS — Those wishing to buy who cannot be present at this sale may send their bids to any of the following representatives or to the auctioneer: Allan C. Atlason, executive-secretary, American Shorthorn Breeders' Association, 7 Dexter Park Avenue, Chicago 19, Illinois; Don Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois; Ed Huff, Eastern Representative American Shorthorn Breeders' Association, Culpeper, Virginia; and Ray Brockington, Southern Livestock Journal, Macon, Georgia.

CLUB CALF SALE — To encourage junior work with Shorthorns and Polled Shorthorns we will sell at auction at 11:00 a.m. eight steer club calves.

welcome to Creekland --

This is the first good opportunity I have had to thank all of you for the interest you have shown in Creekland. It was wonderful to see so many of you at our first sale, and naturally, we were pleased to see the cattle sold into such good hands over such a wide area.

We are working continuously to improve our herd and to breed the kind of Polled Shorthorns that will help everyone produce a better product. I am sure you will agree that our offering this year is stronger than a year ago.

Spring in the Carolinas should be in full bloom at this time of the year. We are only a three hours drive from historic Charleston, which has many beautiful Azaleas, Camelias and other shrubs that will be in full bloom. The Smoky National Park in North Carolina will be right on the way for many of you.

Lester Norton and I, and all of us connected with Creekland, look forward to our annual sale and the pleasure of having you with us. We hope you will plan to arrive the day before for a leisurely view of the cattle and an opportunity for us all to become better acquainted.

Top Cattlemen From Texas to Ontario

As soon as I returned from my pre-sale visit to Creekland last year, I began writing to breeders everywhere telling them about the outstanding calves to be sold, particularly the youngsters by Louada Developer. I even went so far as to say there was a calf in this sale that could go all the way at the International. Who bought the bull? A man who owns about as many top Polled Shorthorns as anyone I know. He figured there was always room in his herd for another good one. This bull turned out to be the 1955 International grand champion.

The point is this. In my travels it is only natural that I encounter a lot of people who tell me they are looking for an outstanding herd bull. Why then, didn't more of them come to take a look at him or bid on him. Certainly the price was right and the bull was right. Today there are breeders who would pay ten times the price paid at the Creekland auction for this bull. Why didn't they then? They lacked confidence in their own judgment. They needed the judgment of an expert to give this confidence to them. I believe the reason is an ultra-conservative attitude on the part of many Polled Shorthorn breeders. Many who dream about rising to the top lack the necessary drive, determination and gambler's instinct to go out and buy the ones they need to make real herd progress.

Polled Shorthorn breeders have within their grasp a potential for breed expansion that is overwhelming. The whole world is looking to you. Other countries are now beginning to buy your best. Let's not lose our world leadership in the Polled Shorthorn field. Be more aggressive. Don't hang on with any second rate cattle in your herd. Let's have a scramble for every good one. You can raise the price level of your own cattle and that of the breed in general. I believe firmly this will be accomplished and those of you who do own the premium kind will enjoy very good prices.

Attended The 1955 Creekland Sale

The Averages (Creekland and Thieman)

| | |
|-----------------------------|-------------|
| 8 Bulls — \$9,425 | ave. \$1178 |
| 41 Females — \$20,855 | ave. \$ 509 |
| 49 Lots — \$30,270 | ave. \$ 618 |

The time is now. Good ones will always bring premium prices. I am not saying that Creekland is the only place where you can buy good ones, but it is certainly one of the best places to buy them.

No one is going to assure you that you can buy a bull at Creekland and show him to the grand championship of the International, as was the case with Creekland Lancer. However, there are several bulls in this 1956 offering that could also get this job done.

I have no hesitancy in saying that this is a far stronger offering than a year ago. You will see calves and yearlings all over the farm that have the same Creekland Lancer quality. You should also take sufficient time to see the Creekland cow herd. It's quite a collection.

(Imported from Scotland in Dam)

Tattoo MMP 18F

Louada Developer — This imported-in-dam grandson of Kirkton Baronet has proved himself to be one of the great sires of the day. A son, Creekland Lancer x, was grand champion of the 1955 International, and two others sold at \$1375 and \$750 to strong herds in our 1955 sale. All his calves follow the same pattern — good heads, strong legs, deep bodies, with character and substance. They are particularly strong from their hocks back and forward across the loin. Louada Developer is a massive bull with great ruggedness and scale. We are improving the Creekland herd by building around him. We feature his get and service. His offspring should work improvement wherever they go.

CLUB CALF SALE

To encourage junior club calf work with Shorthorns and Polled Shorthorns we will sell eight steer calves on the morning of the sale. They will be auctioned starting at 11:00 a.m.

This Creekland bred steer by C. F. Collynie 7th was the grand champion steer over all breeds at the 1955 Spartanburg District Fair, one of the largest steer shows in the Southeast. This steer, the club project of Ardith Norton, weighed 1100 pounds and sold for \$1.00 a pound.

The Thieman Consignment

We are again pleased to have a guest consignment from the famous Thieman herd of Missouri. Last year they brought five excellent animals that averaged just a shade under \$1,000. These cattle went into good homes in the East and Southeast and the Thiemans are again anxious to bring some tops right down into this country where you all can see them. Thieman entries in any sale are "sale sweeteners." They are bringing seven head this year — a consignment stronger both in point of numbers and individuality.

All seven entries are grandsons or granddaughters of their famous International grand champion, Killearn Max Juggler. The two bulls are both sons of their renowned Coronet Max Juggler 18th x, sire of the first prize get at the 1954 International and sire of the International grand champion female, 1955, that sold for \$8,000, a new world's record price for a Polled Short-horn female.

We believe these entries should provide further incentive for you to attend the 1956 Creekland sale.

The famous Thieman sire, Coronet
Max Juggler 18th x. Two sons sell.

GUARANTEE

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six

months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of a dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

All prospective buyers should check health requirements of their states.
